

Cleaning Wipes *Xtreme*

Powerful wipes to gently scrub and clean for daily use in the workplace.

We declare war on dirt! Our high-performance fischer Cleaning Wipes *Xtreme* master every challenge perfectly and remove even stubborn dirt thanks to their practical 2-in-1 function: rough side to loosen the stain and smooth side to remove the dirt.

Product description

High performance hand-cleaning system with a rough and smooth side for quick and skin-friendly cleaning of uncured paints, resins, adhesive, lubricants, oils, tar, inks, coal, graphite, and many other stubborn stains. The cleaning wipes are enriched with propylene glycol and glycerine which work as moisturizers. Dermatologically tested for skin compatibility.

Directions for use

- Before use, remove the lid and peel off the protective foil.
- Pull out a piece of the innermost wipe from the roll and thread it through the hole in the lid.
- Replace the lid and open it.
- Pull up the cleaning wipe (tear it off at the perforation).
- Clean (always test on a hidden spot before use).
- Reseal the tub tightly to maintain moisture and keep it stored upright at room temperature.
- Dispose in the garbage can.

For best results, clean spills immediately. For stubborn stains, soak for five seconds with the wipe. Always test on a hidden spot before use.
