

# Air conditioner fixing MCE

The complete kit for air conditioner fixing on walls

Air conditioner on the outer wall

## Applications

- Universal fixing for air conditioners
- MCE Klima Klik - air conditioner fixing onto walls with max. fixing distance of 760 mm on the horizontal channel
- Please consider: load bearing capacity of the wall and the quality of the substrate

## Advantages

- The complete kit including anti vibration damper, plugs and screws offers an optimised installation security.
- The bracket with quick snap (Klik) simplifies and shortens the installation.
- The horizontal channel of the MCE Klima Klik allows a flexible adjustment of the brackets and simplifies the installation additionally.
- The MCE Klima Klik horizontal channel with included horizontal level tool enables the adjustment without additional tools.

## Properties

- Material: steel
- Coating: powder coating
- Colour: RAL 9002

## Installation Klima Easy Klik
